About Coffs Harbour

Coffs Harbour is a coastal city on the North Coast of NSW. It has many things to keep all types of visitor occupied and is surrounded by lush forests and national parks.

“Coffs” as the locals affectionately call it, boasts many family-friendly attractions including beaches, water sports, adventure sports, restaurants and cafes. The city also has a wide choice of accommodation, from motels to glossy resorts and small, exclusive boutique retreats.

The steep hillsides around the town are the perfect backdrop to a major North Coast attraction - the Big Banana, one of the oldest, and most visited, "big things" in Australia. But there's more to this attraction than just bananas. The whole family will love the toboggan ride, laser tag arena, ice-skating rink, inflatable waterpark, candy-making kitchen, nursery and gift shop with quirky souvenirs.

Other great local attractions include Dolphin Marine Magic which has daily seal and dolphin shows, the Butterfly House and the Muttonbird Island Nature Reserve.
